scholarships in supporting deserving students. The event was further continued by Mrs. Sukanya Choudhary, the emcee of the event, where she introduced all the dignitaries and requested them to formally inaugurate the event with the lighting of the lamp by the Principal Mrs. J M Nair and all the JUAA trust members, followed by the rendition of Saraswati Vandana. All the trust members were felicitated by the principal by handing over saplings. Principal Mrs. J M Nair highlighted the college's commitment to nurturing talent and providing equal opportunities to all students, regardless of their financial background.

Few members Mr. Shyama Ray and Cdr. S.K. Jana delivered inspirational speeches sharing insights and experiences from their academic and professional journey. They emphasized the transformative power of education and encouraged students to pursue excellence in their chosen fields.

Scholarship Distribution

Vivekananda Jyoti scholarship, Student Aid scholarship and Jadavpur University scholarship were given to students across all branches in Vesit.

The highlight of the event was the distribution of scholarships to the selected students. They received their scholarship letter from the Principal and Jadavpur certificate and memento from the trust members. This

moment symbolized not only financial support but also recognition of their hard work and dedication. The Scholarship distribution announcement was further carried over by Mrs. Vinita mam. The scholarships were awarded based on a combination of academic performance and financial status which is gathered from a detailed Google form sent to the students at the beginning of the semester. A transparent selection process ensured that deserving students were identified and duly recognized for their achievements. Several scholarship recipients shared their stories and expressed gratitude for the opportunity afforded to them. The scholarship distribution event was a resounding success, reaffirming the college's commitment to fostering academic excellence and social mobility.

The event was coordinated by the following members who were involved in welcoming the guests, managing the stage, coordinating with the students, preparing and sorting the scholarship letters through Vinayak Doifode, printing of standee etc.
