IIC REPORT 2019-20

VESIT INSTITUTION INNOVATION COUNCIL

The Ministry of Human Resource Development (MHRD), Government of India has established 'MHRD's Innovation Cell (MIC)' to systematically foster the culture of Innovation amongst all Higher Education Institutions. The primary mandate of MIC is to encourage, inspire and nurture young students by supporting them to work with new ideas and transform them into prototypes while they are informative years.

MIC has envisioned encouraging creation of 'Institution's Innovation Council (IICs)' across selected Higher Education Institutions. A network of these IICs is established to promote innovation in the Institution through multitudinous modes leading to an innovation promotion eco-system in the campuses. VESIT is one of these institutions which established 'Institution's Innovation Council' in September 2019.

VESIT IIC:

VESIT IIC majorly focuses on to create a vibrant local innovation ecosystem, start-up supporting Mechanism in our institute, prepare institute for Atal Ranking of Institutions on Innovation Achievements Framework, establish Function Ecosystem for Scouting Ideas and Pre-incubation of Ideas, develop better Cognitive Ability for Technology Students.

Functions of VESIT IIC:

- To conduct various innovation and entrepreneurship-related activities prescribed by Central MIC in time bound fashion.
 - Identify and reward innovations and share success stories.
- Organize periodic workshops/ seminars/ interactions with entrepreneurs, investors, professionals and create a mentor pool for student innovators.

Vivekanand Education Society's Institute of Technology

(Affiliated to University of Mumbai, Approved by AICTE & Recognized by Govt. of Maharashtra)

- Network with peers and national entrepreneurship development organizations.
- Create an Institution's Innovation portal to highlight innovative projects carried out by the institution's faculty and students.
- Organize Hackathons, idea competition, mini-challenges etc. with the involvement of industries.
