Chembur (E), Mumbai - 400074. INDIA

## V-REACH '20

An Alumni Engagement Initiative

Under the guidance of Internal Quality Assurance Cell (IQAC)  
In Association with Institution Innovation Council (IIC)

**Webinar Series : 22 June - 12 July '20**

Guidance on preparing for better placements  
Higher studies and career guidance  
Research and innovations  
Entrepreneurship development and  
New trends in Technology

Vivekanand Education Society's Institute of Technology (VESIT) was established in 1984, with the aim of providing professional education in the field of Engineering. Since then, our alumni base has grown and reached every part of the world. We congratulate each of them for their success. Alumni are vital to the institute's strength, and we acknowledge their role as stakeholders in leveraging the VESIT brand. To bolster this relationship, VESIT-Internal Quality Assurance Cell (IQAC) in association with Institution's Innovation Council (IIC) brings, "V-REACH", VESIT-Alumni engagement initiative, which aims at reaching out to alumni and enables sharing of their vast National and International knowledge and experience with students for widening their horizon. It also allows alumni to play an active role as a stakeholder and contribute actively in building VESIT legacy.

### V-REACH Objectives

- To provide a forum for a series of webinars covering various domains of learning and support outcome based education.
- To enable knowledge and expertise sharing of alumni for professional development of students.
- To actively engage the stakeholders to expand VESIT's outreach.
- To foster our relationship with our alumni effectively and employ their flair, ardor, knack and contributions to constructive ends for VESIT and its students.

Especially during these unprecedented times of COVID-19 pandemic and looking at the lockdown situation, V-REACH has tried to unlock the Teaching Learning in an innovative way, through its inception series of 21 webinars commencing from 22 June to 12 July 2020, which will be streamed on VESIT-YouTube channel

Shri B. L. Boolani  
President, VES

Dr. (Mrs.) J. M. Nair  
Principal

Dr. (Mrs.) M. Vijayalakshmi  
Vice Principal

# VIVEKANAND EDUCATION SOCIETY'S INSTITUTE OF TECHNOLOGY

Chembur (E), Mumbai - 400074. INDIA

## V-REACH '20

An Alumni Engagement Initiative

### INAUGURAL NOTE

Dr. (Mrs.) J. M. Nair  
Principal

Dear students ,

Hope all of you are safe, healthy and happy. We are all passing through an unprecedented situation and have been under lockdown for more than eighty days. After March 15, we were busy completing the residual academic requirements of the semester and were connected through online lectures, email and WhatsApp communications. During the second phase, our faculty were engaging you through online quizzes, competitions, workshops and internships. Now, it is time to listen to your VESIT seniors to learn about their experiences and the new technologies in which they are working. One can learn about "how to start on your own" from successful entrepreneurs. With this objective in mind, Institute Quality Assurance cell has proposed to start this Student Alumni engagement Platform initiative as a preparation for 'mission again' programme and to learn to live with SMS Sanitizer, Mask and Social distancing. This will help you to unlock from the current lockdown situation. I congratulate all the team members of VESIT Reach for planning this event meticulously. I also take this opportunity to thank all the alumni who have agreed readily to spare their valuable time for participating in this program. I request all the students to attend all sessions irrespective of the departments, since all the future jobs are going to be of interdisciplinary nature. I am sure that you will benefit immensely from this programme.

Webinar Series : 22 June - 12 July '20

# VIVEKANAND EDUCATION SOCIETY'S INSTITUTE OF TECHNOLOGY

## V-REACH '20

An Alumni Engagement Initiative

### KEYNOTE

Dr. (Mrs.) M. Vijayalakshmi  
Vice Principal

During this difficult time of Covid 19 and lockdowns, we at VESIT have used this opportunity to present to you an enriching Journey "V- Reach".

This digital event of 21 days brings to you a plethora of speakers curated from our own alumni sharing their experiences with you. These speakers come to you from all over the world and their talks will motivate you during these trying period.

I thank all our Alumni for being a part of this innovative venture.

At the forefront of every technological breakthrough are giants like Amazon, Facebook, Google and Microsoft. It is the dream of every person in the IT sector to be at the core of the change that these firms bring. But how do you reach that top level? Well, what better way to find out than from people who have done it themselves.

#### V-Reach'20 Report 20-21

**V-Reach 2020 : An Alumni Engagement Initiative** of VESIT was conducted through its inception series of 21 webinars, from 22 June to 12 July 2020 under the guidance of Internal Quality Assurance Cell (IQAC) In Association with Institution Innovation Council (IIC) coordinated and conducted by all departments. The webinars were streamed on VESIT-YouTube channel

Especially during the unprecedented times of COVID-19 pandemic and looking at the lockdown situation, V-REACH tried to unlock the Teaching Learning in an innovative way through its objectives of :

- Providing a forum for a series of webinars covering various domains of learning and support outcome based education.
- Enabling knowledge and expertise sharing of alumni for professional development of students.
- Actively engaging the stakeholders to expand VESIT's outreach.
- Fostering relationships with alumni effectively and employing their flair, ardor, knack and contributions to constructive ends for VESIT and its students.

The series commenced with an inaugural note from honorable Principal madam Dr. (Mrs.) J. M. Nair where she assured students that even during the lockdown period VESIT is focussed not only towards academics but also towards building skills through online quizzes, competitions, workshops and internships.

Major part of knowledge building is listening to VESIT's seniors and learning from their experiences. Students can learn about "how to start on your their own" from successful entrepreneurs

She emphasised that students need to keep learning to fight lockdown situations by learning to live with SMS: *Sanitizer, Mask and Social distancing* to remain safe.

Madam concluded her note by congratulating all the team members of V- Reach and also thanked the alumni who agreed readily to spare their valuable time for participating in this program.

The inauguration note was followed by the Keynote from the Vice - Principal, Dr. (Mrs.) M. Vijayalakshmi. She emphasised the need for webinars for guidance on preparing for

# Vivekanand Education Society's Institute of Technology

(Affiliated to University of Mumbai, Approved by AICTE & Recognized by Govt. of Maharashtra)

better placements, higher studies and career guidance, research and innovations, entrepreneurship development and new trends in technology.  
Following is the list of webinars conducted giving brief information about the theme, content abstract and the alumni detail

## V-Reach Sessions
